Prescott-Suchitoto Sister City Committee members have a festive Mardi Gras Auction Party in store for the public at 6 p.m. Saturday at the Manzanita Grille at Antelope Hills Golf Club in Prescott.

"We have a lot of great things lined up for the silent and live auctions, we have some great raffle prizes, incredible hors d'oeuvres and wonderful live background music by Jeff Weisel." said President Tammy Linn.

"The money we make through this event will benefit Suchitoto, El Salvador," she said. "We've helped the community build Prescott Park in Suchitoto so the children would have a place to play. There was no public gathering spot for families in the town after devastation from the war and an earthquake. There is

still more work to be done to help this community and we can always use more help in reaching our goals."

Prescott-Suchitoto Sister City members welcome local residents wishing to take part in this foreign relations commitment to attend the Mardi Gras Auction Party benefit tomorrow and learn more about the group's undertakings.

Cost to attend the auction is \$10; prize tickets are \$1 a piece or 6 for \$5. RSVP's and prize ticket information is available by calling Patti Crouse with the City of Prescott at 777-1380 or e-mailing her at patti.crouse@prescott-az.gov .

Tommy Meredith of the Jersey Lilly Saloon will be the auctioneer at the soiree and money collected through live and silent auctions, entrance fees and prize tickets will go toward completing Prescott Park and other goals sister city committee members have in the works.

And there are some noteworthy auction items on the block.

Have you ever wanted to go for a ride along with the Prescott Police Chief or have dinner with local firemen? How about going out for lunch with the Prescott Mayor or taking your friends on a limo ride to see the Sundogs Hockey Team?

Now's your chance to bid on those opportunities.

Other items for bid include a Romance Package, with two nights at Marriott Hotels in Prescott, chocolates, movies, wine and more.

You can even bid on the Arizona Package; which includes a day shadowing Secretary of State Ken Bennett, books on Arizona, and other fun stuff from Arizona.

Pre-paid tickets are available from Patti Crouse with the City of Prescott at 777-1380 or purchase them at the door.
